## Endnotes

1. Business and farms with revenues of \$1 million or less.
2. Percentages reflect the ratio of activity by CRA reporters to activity by all lenders. Calculations are based on information reported in the June Call Reports except that calculations for savings associations are based on information reported in the June Thrift Financial Reports.
3. For the years 2001 through 2007, the following lender asset-size categories were used in Tables 1, 3, and 5 (in millions): less than 100; 100-249; 250-999; and 1,000 or more. To improve users' ability to differentiate between large bank reporters and voluntary reporters, in Tables 1, 3, and 5, the lender asset-size categories for the 2008 CRA data were adjusted as follows (in millions): less than 100, 100-249; 250-1,060; and 1,061 or more. For 2009, the lender asset-size categories have been adjusted as follows in Tables 1, 3, and 5 (in millions): less than 100; 100-249; 250-1,108; and 1,109 or more. For 2010, the lender asset-size categories have been adjusted as follows in Tables 1, 3, and 5 (in millions): less than 100; 100-249; 250-1,097; and 1,098 or more. Table 1 data reflect the former asset categories for 2001 through 2007 and the adjusted asset categories 2008, 2009, and 2010.
4. *Low income*: census tract median family income less than 50 percent of MSA/MD median family income or nonmetropolitan portion of state median family income; *moderate income*: 50-79 percent; *middle income*: 80-120 percent; *upper income*: 120 percent or more. Excludes loans where census tract was not reported.
