Draft Reporting Form for Proposed Call Report Revisions With Proposed Effective Dates Beginning with June 30, 2020

This draft reporting form, which is subject to change, presents the pages from the FFIEC 041 Call Report proposed to be revised beginning with the June 30, 2020, report date. These proposed revisions are described in the federal banking agencies' initial Paperwork Reduction Act (PRA) notice published in the *Federal Register* on July 22, 2020. The notice is available on the [FFIEC's web page for the FFIEC 041 Call Report](#).

The revisions to the report form with the effective date of June 30, 2020, pertain to interim final rules (IFRs) and a final rule published by one or all of the banking agencies from March through June 2020 as well as Section 4013 of the 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which provides optional temporary relief from accounting for eligible loan modifications as troubled debt restructurings. The IFRs and final rule revise certain aspects of the agencies' regulatory capital rule, amend the Federal Reserve Board's (Board) Regulation D on reserve requirements, except certain insider loans from the Board's Regulation O, and modify the Federal Deposit Insurance Corporation's (FDIC) deposit insurance assessment rules. The agencies have received emergency approvals from the U.S. Office of Management and Budget to implement changes to the Call Report arising from these interim final rules, the final rule, and Section 4013 of the CARES Act. These revisions are included in the initial *Federal Register* notice noted above.

Certain other proposed revisions to the FFIEC 041 Call Report with effective dates beginning with the March 31, 2021, report date, which are described in the agencies' initial PRA *Federal Register* notice, also are included in this draft reporting form.
